PRAYER AND SUPPORT

Dear Friends,

Summer has come to an end and we are now into fall. Fall reminds us of the great harvest! I love harvest time! A few years back I was driving semi for my son-in-law as they were bringing in the harvest! The Bible says don't say for months then comes harvest:

Jesus said look out on the fields for they are ripe. Brenda and I just returned from a great trip to Mexico City where we partnered with Oasis World Ministries who have now launched into the 50th country training the One Minute Witness!

In less than 10 days, I will be launching our first meeting in Sierra Leone, Africa and then off to Monrovia, Liberia. I will be conducting five more conferences as well as visiting our church, Wings of Love.

I have some special prayer requests: First, my health--my asthma has been terrible this last month. I need 100% healing in my lungs as I travel to Africa.

Second, I need strength as a fly over the ocean and sit on an airplane for 20 some hours with a brand new hip. Please pray my hip will not give me problems on this trip.

Please pray for our budget. At this time we are about \$3000 short and need a miracle in our budget in the next 10 days. We will be putting together several teams in Africa to multiply the One Minute Witness. In addition, please pray for my upcoming February trip to India I will need to raise a budget of \$10,000 by God's grace. We are trusting that this shouldn't be a problem because if it's His will it's His bill, that's what we say anyway!

Finally, please pray for one of my good friends and partners of our ministry who just went to be with the Lord this week, Richard Crowell. He is rejoicing and out of earthly pain and in his eternal home!

Thank you for your friendship and your support, we can't do this without you!

You can donate by going to our website: jude23ministries.org or by sending a check to Jude 23 and mail to 732 South Creek Circle N., Champlin, MN 55316.

COMING:

- **October 2019:** I will be going to Liberia to work with our Wings of Love Church as well as conduct One Minute Witness Trainings.
- **February 2020:** By God's grace, we are planning on conducting a major outdoor crusade in South India, conduct several Evangelism trainings and dedicate several bored water wells.
- We ask our faithful supporters to prayerfully consider partnering in our projects!
